About the ZCVFD

The Zion Crossroads Volunteer Fire Department is located in south-western Louisa County, Virginia. It serves one of the fastest growing regions in the state. Their calls have grown from only 95 in 1993 to over 500 calls per year. The department relies on donations from the community and events like the Screamin' 5K to operate and serve the rapidly growing, surrounding area.

About the Race

The Screamin' 5K was created in 2008 by a group of individuals who had a goal of bringing the community together for a common cause. These individuals set their sights on creating a family friendly, 5K race. The race would take place around Halloween and costumes would be encouraged. The Zion Crossroads Volunteer Fire Department was selected as the beneficiary because of all they do for our community!
